SOFTWARE CUSTOMIZATION & DEPLOYMENT AGREEMENT

This agreement outlines the terms and conditions for the development and deployment of the HuntHouse.in mobile application and admin panel

PROJECT NAME	TOTAL FIXED COST	PROJECT TIMELINE
HuntHouse.in	₹25,000 (INR)	30–35 Working Days

AGREEMENT DATE
January 15, 2026

CLIENT

Name: Ibrahim Baig
Project: HuntHouse.in Mobile App & Admin Panel
Address: [Client Address]
Email: [Client Email]
Phone: [Client Phone]

SERVICE PROVIDER

Company: DiziGlobalSolution
Scope: Software Customization & Deployment
Address: [Service Provider Address]
Email: [Service Provider Email]
Phone: [Service Provider Phone]

1. SCOPE OF CUSTOMIZATION (HomeCo Source Code)

The Service Provider agrees to modify the existing HomeCo (Laravel + Flutter) script according to the following specifications:

§ A. Authentication & Access Control

- **WhatsApp OTP Login:** Complete removal of Email/Password and Guest Login systems. Implementation of WhatsApp Cloud API (Direct Meta Integration) as the sole authentication entry point.
- **Mandatory Login:** All property details, contact information, and lead generation features are locked until the user verifies their mobile number via OTP authentication.
- **Security Compliance:** Implementation of secure session management and data protection measures in compliance with standard mobile application security protocols.

§ B. Instant Lead & Notification System

- **Trigger Mechanism:** Capture comprehensive lead data including Buyer ID, Seller ID, Property ID, Timestamp, and Action Type when a user clicks Contact, Call, or Favorite buttons.
- **Auto-WhatsApp Alert:** The backend system must instantly send a formatted WhatsApp message to the Seller notifying them of the new lead with all relevant details.
- **Lead Management Dashboard:** Implementation of a lead tracking interface within the admin panel for monitoring lead generation metrics and performance.
- **Notification Templates:** Customizable WhatsApp message templates that include property details, buyer information, and direct contact options.

§ C. Terminology & UI Logic (Verbal Agreements Included)

- **CTA Buttons:**
  1. Change "Book Now" or "Buy Now" to "Schedule Site Visit"
  2. Change "Inquiry" to "Chat on WhatsApp"
  3. Change "Contact Agent" to "Contact Owner"
- **Global Terminology:**
  1. "Garage" → "Car Parking" (across all property listings, filters, and search)
  2. "M2" (Square Meters) → "Sq Ft" (Square Feet) globally
  3. "Create Property" → "Post Property"
  4. "Listing" → "Property" in user-facing interfaces
- **Currency Formatting:** Implementation of Indian Numbering System formatting (e.g., ₹10,00,000 for 10 Lakhs, ₹1,00,00,000 for 1 Crore) across all price displays.

§ D. Branding & Monetization

- **Brand Identity:** Complete update of all instances of the app name to HuntHouse.in using the specified color theme (Navy: #1A2B56 and Cyan: #00B4D8) and integration of the provided SVG logo across all platforms.
- **Membership Plans:** Setup and configuration of 3-tier membership system:
  1. **Basic:** ₹199 - 30 Listings, 90 Days Validity
  2. **Standard:** ₹1,499 - 30 Listings, 180 Days, Verified Badge, WhatsApp Lead Alerts
  3. **Elite:** ₹9,999 - 30 Listings, 1 Year, 1 Personal Video Promotion on @ibrahimbaigarmy
- **Payment Gateway:** Integration of Razorpay or equivalent payment gateway for secure transaction processing.
- **Special Pages:** Addition of a dedicated Founder's Page (About Ibrahim Baig) with biography, vision statement, and direct Instagram link (@ibrahimbaigarmy).
- **Admin Panel Branding:** Full rebranding of the admin panel interface with HuntHouse colors, logo, and terminology.

2. DEPLOYMENT & PUBLISHING

- **Web Deployment:** Complete setup and configuration of the Laravel Admin Panel on the client's designated server (HuntHouse.in) including domain configuration, SSL certificate installation, and database migration.
- **Android Publication:** Generation of signed APK/Android App Bundle and successful publishing to the Client's Google Play Console account, including all required store listing assets (icons, screenshots, descriptions).
- **Deep Linking:** Implementation of Android App Links and iOS Universal Links for property sharing functionality, ensuring shared property URLs open directly in the mobile application.
- **Post-Deployment Testing:** Comprehensive testing of all functionalities on live environment across different devices and network conditions.
- **Documentation:** Provision of deployment documentation including server access details, admin credentials, and maintenance guidelines.

3. MILESTONE PAYMENT SCHEDULE

Payments will be released strictly upon the completion and verification of the following stages:

Milestone	Deliverable	Payment	Status
Milestone 1	Advance Payment & Project Kickoff Project initiation, requirement finalization, and development environment setup	₹5,000	Due on Signing
Milestone 2	Functional Demo WhatsApp Login, Lead Alerts, and UI Terminology (Site Visit/Car Parking) verified on test server	₹10,000	Due on Demo Approval
Milestone 3	Final Delivery App Live on Play Store + Full Source Code Handover + Deployment Documentation	₹10,000	Due on Completion
	Total Project Cost	**₹25,000**	**All Inclusive**

Payment Terms

- All payments are to be made in Indian Rupees (INR) via bank transfer or online payment methods as agreed.
- Service Provider will issue invoice for each milestone upon completion of deliverables.
- Client agrees to release payment within 3 business days of milestone completion and verification.
- Delay in payment may result in corresponding delay in project timeline.

4. GENERAL TERMS & CONDITIONS

§ Fixed Price Agreement

- The project price is capped at ₹25,000 (INR) as a fixed price agreement.
- No additional charges will be levied for API integration, bug fixing, or deployment activities within the defined scope of work.
- Any additional features or scope changes requested after agreement signing will be documented separately and may incur additional charges.

§ Ownership & Intellectual Property

- 100% ownership of the modified source code, database schema, design assets, and all project deliverables belongs exclusively to Ibrahim Baig (Client) upon final payment.
- Service Provider agrees to transfer all rights, title, and interest in the customized software to the Client.
- Service Provider will provide complete source code access, including all dependencies and configuration files.
- The Client retains full rights to modify, distribute, or commercialize the software without restrictions.

§ Communication & Updates

- The Service Provider will provide daily progress updates via WhatsApp or Screen Recording during the development phase.
- Weekly sync-up meetings will be scheduled to discuss progress, challenges, and next steps.
- All major decisions and approvals will be documented and confirmed via email for record-keeping.

§ Timeline & Deliverables

- The project will be completed within 30-35 working days from the date of agreement signing and receipt of Milestone 1 payment.
- Working days exclude weekends and public holidays.
- Any delays caused by the Client in providing required assets, information, or approvals will extend the project timeline accordingly.

§ Warranty & Support

- The Service Provider provides a 30-day warranty period from the date of final delivery for bug fixing and technical issues related to the delivered scope.
- Post-warranty support and maintenance can be negotiated separately.
- The warranty does not cover issues arising from third-party services, server configuration changes, or modifications made by the Client or other developers.

§ Confidentiality

- Both parties agree to maintain confidentiality of all business, technical, and financial information exchanged during the project.
- Service Provider agrees not to disclose, reproduce, or use the customized software for any other client or purpose.
- All project documentation and communications remain confidential.

§ Termination

- Either party may terminate this agreement with written notice if the other party materially breaches the terms and fails to cure such breach within 7 days.
- In case of termination by Client, Service Provider will be compensated for work completed up to the termination date.
- Upon termination, Service Provider will deliver all completed work and materials to the Client.

ACCEPTANCE & SIGNATURES

By signing below, both parties acknowledge that they have read, understood, and agree to be bound by all terms and conditions outlined in this agreement.
